Many legal documents contain a section near the beginning of the document defining certain terms that are used later on in the document to ensure a reader knows what a particular word might mean. For example, if you will be using the word "company" to refer to your company in a contract, make sure to state that "company" in your document refers to "ABC Painting, Inc." Clarity is your goal here. [4]

However, one of our goals in drafting these documents is also to reflect "best practices" and avoid hidden legal traps, even if doing so means straying from current custom and practice. We have attempted to avoid, or at least point out, certain problematic provisions that have become "market standard" terms.
