It's easy to search  
Wikibooks by topic,  
and there are separate  
sections for recipes  
and childrens'  
textbooks. You can  
download any page as  
a PDF using a link  
provided in the left-  
hand menu, but

Unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest
