The Philosophy Of History With

Philosophy of history is the philosophical study of history and its discipline. The term was coined by French philosopher Voltaire. In contemporary philosophy a distinction has developed between speculative philosophy of history

Fundamental issues concerning the status of historical inquiry of the kind just mentioned arose in another crucial area of discussion, centring upon the question of whether—and, if so, in what sense—history can be said to be an objective discipline. Some modern philosophers inclined to the view that the entirely general

History is two things:
first, a collection of
data about what took
place; and second, the
study of that data.
Rather than thinking
about the data as a
continuum, think about
it as a ?white noise.?
Thinking this way helps
conceptually with the
problems about
causation and
motivation.
